Re: Form 471 Application Number: 179273
Funding Year 3: 07/01/2000 - 06/30/2001
Billed Entity Number: 142115

Thank you for your 2000-2001 E-rate application and for any assistance you provided throughout our review. We have completed review of your Form 471. This letter is to advise you of our decision(s).

FUNDING COMMITMENT REPORT

On the pages following this letter, we have provided a Funding Commitment Report for the Form 471 application cited above. We have reviewed each Discount Funding Request on your Form 471 application and have assigned a Funding Request Number (FRN) to each Block 5. The enclosed report includes a list of the FRNs from your application. The SLD is also sending this information to your service provider(s) so preparations can be made to begin implementing your E-rate discount(s) upon the filing of your Form 486. Immediately preceding the Funding Commitment Report, you will find a guide that defines each line of the Report.

NEXT STEPS

Once you have reviewed this letter and have determined that some or all of your requests have been funded, your next step to facilitate receipt of discounts as featured in this letter will be to file an FCC Form 486 with the SLD. The Form 486 notifies the SLD to begin payment to your service provider and provides certified indication that your technology plan(s) has been approved. THE FORM 486 IS UNDER REVISION AND WILL BE MADE AVAILABLE AS SOON AS IT IS READY. Information will be posted on the SLD web site at www.sl.universalservice.org regarding the availability of this form for the funding period 07/01/2000 - 06/30/2001. As you complete Form 486, you should also contact your service provider to verify they have received notice from the SLD of your funding commitments. After the SLD processes your Form 486, we can begin processing invoices from your service provider(s) so they can be reimbursed for discounted services they have provided you.

TO APPEAL THESE FUNDING COMMITMENT DECISIONS

If you wish to appeal the Funding Commitment Decision(s) (FCD) indicated in this letter, your appeal must be made in writing and RECEIVED BY THE SLD at the address below WITHIN 30 DAYS OF THE ABOVE DATE ON THIS LETTER. In your letter of appeal:

1. Include the name, address, telephone number, fax number, and e-mail address (if available) for the person who can most readily discuss this appeal with us.
2. Identify which FCD Letter you are appealing. Your letter of appeal must include the applicant name, the Form 471 Application Number, and the Billed Entity Number from the top of your FCD Letter.

3. Identify the particular Funding Request Number (FRN) that is the subject of your appeal. When explaining your appeal, include the precise language or text from the Funding Commitment Decision Letter that is at the heart of your appeal. By pointing us to the exact words that give rise to your appeal, the SLD will be able to more readily understand and respond appropriately to your appeal. Please keep your letter brief and to the point, and provide documentation to support your appeal. Be sure to keep copies of your correspondence and documentation.
4. Provide an original authorized signature on your letter of appeal.

Please send your appeal to: Letter of Appeal, Schools and Libraries Division, Box 125 - Correspondence Unit, 80 South Jefferson Road, Whippany, NJ 07981. Appeals submitted by fax, phone call, and e-mail CANNOT be processed. While we encourage you to resolve your appeal with the SLD first, you have the option of filing an appeal directly with the Federal Communications Commission (FCC): FCC, Office of the Secretary, 445-12th Street SW, Room TW-A325, Washington, DC 20554. Further information regarding filing an appeal directly with the FCC can be found in the "How to Apply, Step-by-Step" area of the SLD web site www.sl.universalservice.org.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the universal service mechanisms for schools and libraries. FCC Form 471 Applicants who have received funding commitments continue to be subject to audits and other reviews that SLD or the Federal Communications Commission may undertake periodically to assure that funds have been committed and are being used in accordance with all such requirements. If the SLD subsequently determines that its commitment was erroneously issued due to action or inaction, including but not limited to that by SLD, the Applicant, or Service Provider, and that the action or inaction was not in accordance with such requirements, SLD may be required to cancel these funding commitments and seek repayment of any funds disbursed not in accordance with such requirements. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC), may pursue enforcement actions and other means of recourse to collect erroneously disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

We look forward to continuing our work with you on connecting our schools and libraries through advanced telecommunications services.

Sincerely,

Kate L. Moore
President, Schools and Libraries Division, USAC

Re: Form 471 Application Number: 179273
Funding Year 3: 07/01/2000 - 06/30/2001
Billed Entity Number: 142115

Thank you for your 2000-2001 E-rate application and for any assistance you provided throughout our review. We have completed review of your Form 471. This letter is to advise you of our decision(s).

FUNDING COMMITMENT REPORT

On the pages following this letter, we have provided a Funding Commitment Report for the Form 471 application cited above. We have reviewed each Discount Funding Request on your Form 471 application and have assigned a Funding Request Number (FRN) to each Block 5. The enclosed report includes a list of the FRNs from your application. The SLD is also sending this information to your service provider(s) so preparations can be made to begin implementing your E-rate discount(s) upon the filing of your Form 486. Immediately preceding the Funding Commitment Report, you will find a guide that defines each line of the Report.

NEXT STEPS

Once you have reviewed this letter and have determined that some or all of your requests have been funded, your next step to facilitate receipt of discounts as featured in this letter will be to file an FCC Form 486 with the SLD. The Form 486 notifies the SLD to begin payment to your service provider and provides certified indication that your technology plan(s) has been approved. The Form 486 will be mailed to you under separate cover and is also available on the SLD web site at www.sl.universalservice.org. If you are filing a Form 486 for Funding Year 3 services (July 1, 2000 through June 30, 2001), there are certain circumstances under which you will be able to file your Form 486 before the receipt of services. These circumstances are detailed in the letter being sent to you under separate cover and on the web site. As you complete Form 486, you should also contact your service provider to verify they have received notice from the SLD of your funding commitments. After the SLD processes your Form 486, we can begin processing invoices from your service provider(s) so they can be reimbursed for discounted services they have provided you.

TO APPEAL THESE FUNDING COMMITMENT DECISIONS

If you wish to appeal the Funding Commitment Decision(s) (FCD) indicated in this letter, your appeal must be made in writing and RECEIVED BY THE SLD at the address below WITHIN 30 DAYS OF THE ABOVE DATE ON THIS LETTER. In your letter of appeal:

1. Include the name, address, telephone number, fax number, and e-mail address (if available) for the person who can most readily discuss this appeal with us.

By pointing us to the exact words that give rise to your appeal, the SLD will be able to more readily understand and respond appropriately to your appeal. Please keep your letter brief and to the point, and provide documentation to support your appeal. Be sure to keep copies of your correspondence and documentation.
4. Provide an original authorized signature on your letter of appeal.

Please send your appeal to: Letter of Appeal, Schools and Libraries Division, Box 125 - Correspondence Unit, 80 South Jefferson Road, Whippany, NJ 07981. Appeals submitted by fax, phone call, and e-mail CANNOT be processed. While we encourage you to resolve your appeal with the SLD first, you have the option of filing an appeal directly with the Federal Communications Commission (FCC): FCC, Office of the Secretary, 445-12th Street SW, Room TW-A325, Washington, DC 20554. Further information regarding filing an appeal directly with the FCC can be found in the "How to Apply, Step-by-Step" area of the SLD web site www.sl.universalservice.org.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the universal service mechanisms for schools and libraries. FCC Form 471 Applicants who have received funding commitments continue to be subject to audits and other reviews that SLD or the Federal Communications Commission may undertake periodically to assure that funds have been committed and are being used in accordance with all such requirements. If the SLD subsequently determines that its commitment was erroneously issued due to action or inaction, including but not limited to that by SLD, the Applicant, or Service Provider, and that the action or inaction was not in accordance with such requirements, SLD may be required to cancel these funding commitments and seek repayment of any funds disbursed not in accordance with such requirements. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC), may pursue enforcement actions and other means of recourse to collect erroneously disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

We look forward to continuing our work with you on connecting our schools and libraries through advanced telecommunications services.

Sincerely,

Kate L. Moore
President, Schools and Libraries Division, USAC
